

Dear Parents/Carers,

This half term has been a busy but successful start to the academic year, we have made a strong and settled start to the new year with all students and staff in a positive frame of mind about the year and ahead and the work to undertake.

Year 11 have started well with a clear focus on preparing for their mock exams in January, they are attending our interventions after school and on a Saturday with a determination to succeed.

Our science department ran a very successful Science Fayre in October which all of Year 7 from JQA and the Year 6 students from Nelson and Brookfields Primary schools enjoyed.

The Year 9 Art groups are enjoying working closely with the School of Jewellery on a project that will see them make their own pieces of Jewellery early next half term.

In order to develop our communication with parents/carers we want to issue a fortnightly email update, to be able to do this we need to make sure that we have all the correct email addresses for our parents/carers. Please make sure we have updated contact details so that we can keep you updated on current and future events at JQA. You can also access our new Facebook page as well to see insights into our work at JQA.

Have a safe and fantastic half term.

Mr Henshaw

Our Shared Mission:

At JQA, we focus on **delivering a CORE education** that provides a broad range of opportunities for students from all backgrounds to learn and achieve as well as developing a depth of character around our shared values.

Collaboration: we succeed by working as a team.

Opportunity: we develop by taking on new challenges.

Respect: we care by respecting and looking after each other.

Excellence: we achieve by always giving 100% in everything we do.

COLLABORATION— Student leadership

At JQA, we are immensely proud of our Student Parliament team who are representatives of Team JQA. The Student Parliament will meet regularly to discuss issues that affect our students, and work with staff to improve our provision.

Below is a message from our new Head Girl:

My name is Zipporah, and I'm proud to introduce myself as your Head Girl for this school year. I'm excited to represent our students and work together to make school life the best it can be. This year, I want to focus on creating a more connected and supportive environment where every student feels heard and valued. I'll be working with staff and the Student Parliament team to bring forward ideas that make a change for Jewellery Quarter Academy, whether its improving communication or encouraging others. If you ever have any concerns, or suggestions, don't hesitate to come and talk to me, I'm happy to listen and give advice.

Message from our new Head Boy:

Hello my name is D'Angelo and I am Head Boy. I will be working this year with to make this school a better place and more enjoyable for the rest of the other students time.

This year our student leaders will be taking on new opportunities across the academy in order to be able to help continue improve our academy and support all students.

COLLABORATION— Year 11 Information Evening

On Wednesday 24th September, Year 11 students and parents/carers were invited along to an information evening regarding GCSEs and post 16 options.

The evening started with a talk from a variety of staff members, senior leaders and heads of faculties, regarding revision, different post-16 courses and how parent/carers are able to help their child.

The evening was a success, in which many parents/carers turned up to speak to our post-16 providers.

Thank you to Sandwell college, Central St Michaels, Cadburys college, BOA, Birmingham Met college, Joesph Chamberlain, Matthew Boulton college, UCB, Solihull College, Solihull 6th form and RAF.

COLLABORATION— Staying safe

HAPPY, SAFE HALLOWEEN/BONFIRE NIGHT – REMINDER FROM WEST MIDLANDS POLICE

With the darker nights fast approaching, it is important that students are reminded what we, as a school community, expect of them in terms of behaviour.

Parents/carers and students should already be aware that as part of our safeguarding arrangements, the school has a two-way information sharing agreement in place with West Midlands Police, and we are active members of the local Police & Schools Panel. This joint approach helps us to intervene early to prevent and reduce crime and anti-social behaviour involving our students and provide support and up-to-date safety messages.

In partnership with the police, we would also like to remind our students about the following: -

Anti-social behaviour: Halloween can be a scary time for people who don't like surprises or callers at their door. Think about how your actions and behaviour affect others; elderly and vulnerable people may be frightened by 'trick or treat' – only approach houses that have been decorated for the occasion, as they are potentially inviting callers to the door.

Personal Safety:

Be aware of your surroundings, take care of friends and family members and keep valuables (such as smartphones watches/headphones) out of public view whenever possible

For apple devices parents/carers can active 'Find My' which includes Activation Lock – A feature that is designed to prevent anyone else from using your iPhone, iPad, or iPod touch, if it's ever lost or stolen. Activation Lock turns on automatically when you turn on 'Find My' on your device – more details on this feature are available here:

[Activation Lock for iPhone and iPad - Apple Support](#) - Google have 'Find my Device' & android manufacturers also offer similar location apps (Samsung have 'Find' for example) these can be found on the Google 'Play store'.

Don't drink alcohol, take illegal drugs or unknown substances; they can have a big impact on your health and safety, behaviour, and your ability to do well at school and enjoy other interests and activities. They can also be addictive and have unpredictable side effects and could even have fatal consequences - Information is available at

www.talktofrank.com

Social Media: Don't allow your use of social media to put you at risk of grooming, exploitation, or regret in future. Use social media positively and avoid being negative about anyone online as comments/actions may be traced back to you and you will be held accountable.

Weapons in public places: Carrying a knife or other weapon will get you a criminal record which can have life-long effects on travel and job prospects. Those who carry knives are also much more likely to be injured by them. Don't take BB Guns, Gel Blasters/Guns, or any other real looking toy guns into public spaces as these can cause alarm to the public - which could receive a Police Firearms response.

Off-road bikes: These can only be ridden on private land with the landowner's permission. Don't risk your life and future prospects by illegally riding these on the road.

E-Scooters: In the UK, you must be at least 18 years old and hold a provisional or full driving licence to ride a hire e-scooter. A privately owned e-scooter can only be used in a private place with the landowner's permission; they are illegal to use on a road or in a public place.

Remember the company you keep: If your friend breaks the law, your association with that person may have legal consequences for you, which could be very serious – even if you weren't the one directly responsible.

If a student is in a position where they need help, they should talk to an adult they trust. Crimes can be reported directly to the police via 101; alternatively, you can contact Crimestoppers anonymously on 0800 555 111 or via www.crimestoppers-uk.org. **If a crime is taking place or a life is in danger, call 999 immediately.**

OPPORTUNITY— CORE Explore / Opportunity Day 1

CORE Explore / Opportunity Day 1 will be held on Friday 14th November. Each year group will be taking part in different opportunities throughout the day.

Year 7 students will be taking part in an external workshop.

Year 8 students will be going to Cadburys World for a STEM day.

Year 9 students will be taking part in different GCSE option taster sessions.

Year 10 will be taking part in post-16 options and working with external partners.

Year 11 will be taking part in post-16 options and working with external partners.

It will be a memorable day and pictures will be in the next newsletter.

OPPORTUNITY— Year 7 residential

On 29th September Y7 went to Condover Hall on residential. This opportunity was provided by the trust as a chance for Y7 to get to know each other and collaborate with the other Core schools.

They took part in a range of activities including high ropes, Jacob's ladder, laser tag, raft building, kayaking and team building exercises. Everyone had a lot of fun and really pushed themselves to embrace new experiences.

DELIVERING A
CORE EDUCATION

OPPORTUNITY— Performing Arts

This half term, we're excited to launch two fantastic Performing Arts enrichment opportunities! Our new Drama Club, led by Anna Piper in partnership with the Birmingham Hippodrome Education Network, gives students the chance to build confidence, creativity, and performance skills through drama.

We're also thrilled to see the return of COREus, our trust-wide choir, where students from all four CORE schools come together to share their love of singing and make music as one inspiring ensemble. Both activities promise to be vibrant celebrations of talent, teamwork, and the arts!

Respect in the community

As part of our ongoing commitment to fostering responsible citizenship and community awareness among our students, we are reaching out to ask for your support in reinforcing key messages around safety and respect in the local community.

We are proud of the way our students represent the school, and we want to ensure that they continue to do so positively when travelling to and from school, during school trips, and while spending time in the community.

Key reminders for students:

Be Respectful:

Treat all members of the community with kindness and courtesy. This includes being mindful of noise levels, using appropriate language, and showing consideration for others in public spaces.

Stay Safe:

Always travel with friends where possible.

Be aware of your surroundings and avoid distractions such as mobile phones when crossing roads.

Follow road safety rules and use designated crossings.

Report any concerns to a trusted adult or member of staff.

Look After the Environment:

Dispose of litter responsibly and respect public and private property. A clean and cared-for community benefits everyone.

Be a Positive Role Model:

Our students are ambassadors for the school. Wearing the school uniform with pride and behaving responsibly helps build a strong reputation and sense of community.

We kindly ask that you discuss these points with your child and encourage them to take pride in their role within the wider community. Together, we can help ensure that our students are safe, respectful, and responsible citizens.

RESPECT— Black History Month

Black History Month in the UK is celebrated every October to honour the achievements, history, and contributions of Black communities. The theme for 2025 is **“Standing Firm in Power and Pride”**, which pays tribute to the resilience, strength, and unwavering commitment of Black individuals and communities across the globe.

This year’s theme highlights the importance of empowerment and cultural pride, recognising the leaders, activists, and pioneers who have shaped history and continue to inspire change. It encourages reflection on the legacies of civil rights movements, such as the 60th anniversary of the Race Relations Act and the Bristol Bus Boycott, while also celebrating Black excellence in the arts, education, and technology.

Through exhibitions, talks, and community events, Black History Month 2025 invites everyone to stand firm in their identity, embrace heritage, and work collectively toward a more inclusive future.

Miss Ivey delivered assemblies in October to let students know the importance of Black History Month.

RESPECT— Diwali

Diwali, also known as the Festival of Lights, is one of the most important and widely celebrated festivals in India and among Hindu communities worldwide. It symbolizes the victory of light over darkness and good over evil. Traditionally, Diwali marks the return of Lord Rama to Ayodhya after defeating the demon king Ravana, and people celebrate by lighting oil lamps (diyas), bursting fireworks, decorating homes, and sharing sweets.

The festival spans five days, each with its own significance, including Dhanteras, Naraka Chaturdashi, Lakshmi Puja, Govardhan Puja, and Bhai Dooj.

Families come together to worship Goddess Lakshmi, the deity of wealth and prosperity, and to enjoy festive meals and cultural traditions that promote joy, unity, and renewal.

Miss Deshi, Head of RE, has been running assemblies to give students more information on the importance of Diwali to all year groups.

EXCELLENCE AT JQA— Attendance and FSM

Attendance Matters at Jewellery Quarter Academy

Regular attendance and punctuality are essential for academic success. The school day starts at 8:35am, and being on time ensures students make the most of their learning. Don't forget we have Breakfast Club (from 7:45 am) which offers breakfast and activities such as table tennis and football.

We currently have 245 Students who have achieved 100% Attendance so [congratulations](#) to those students.

Your child's attendance is vital to their success. Every day in school builds on the last and missing even a small amount of time can disrupt learning, confidence, and progress. By ensuring your child attends school every day and arrives on time, you are giving them the best chance to achieve their full potential, both academically and personally. Together, we can support their future success—attendance today shapes opportunities tomorrow.

Free school meals

Children, aged 19 years and under, can get a free school meal if their parent or carer receives one of the following benefits:

- Universal Credit (as long as household annual net earned income is no more than £7,400 as assessed by earning from the 3 most recent assessments.
- Income support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under the Immigration and Asylum Act of 1999
- Pension Credit
- Child Tax Credit—provided the household is not also entitled to Working Tax Credit and has an annual gross income no more than £16,190
- Working Tax Credit run-on—paid for 4 weeks of no longer qualifying for Working Tax Credit.

If you believe this applies to you, please contact the Reception Team
