1. Introduction

- 1.1 Positive behaviours and self-regulation support effective learning. CORE Education Trust's Behaviour Policy seeks to promote and encourage student attitudes and behaviours which lead to the creation and maintenance of a safe and supportive climate for learning, underpinned by high quality teaching, a stimulating learning environment, and consistently applied rewards and sanctions.
- 1.2 This policy outlines the high behavioural standards the Trust expects from all its students. This policy is reviewed every year by the Board of Trustees.

2. Aims and Objectives

By setting high standards of expected behaviour, the Trust and its academies aim to:

- promote positive relationships that safeguard and promote the welfare of students, creating a safe and effective learning environment;
- maximise the quality of the learning experience for all students, enabling everyone to learn effectively;
- enable students to understand the implications of their behaviour, to regulate their own behaviour and most importantly to take responsibility for their behaviour;
- ensure every member of the Trust community feels valued, respected and treated fairly;
- provide an ethos and environment within which everyone feels safe;
- foster mutual respect between students and their peers, and between staff and students;
- raise awareness amongst students for the need to recognise and manage their emotions and reactions; and
- support students who may find adult interaction, friendship and co-operation difficult.

3. Application of Policy

- 3.1 This policy applies to all members of the Trust community. Each academy within the Trust will additionally apply sanctions for behaviour that takes place outside of academy premises where it is reasonable to do so.
- 3.2 When deciding whether it would be reasonable to impose a sanction for poor behaviour outside of the academy staff will consider:
- 3.2.1 whether the student is taking part in any academy-organised or academy-related activity, travelling to or from the academy, wearing school uniform or is in some other way identifiable as a student at the academy at the time of the poor behaviour; and/or
- 3.2.2 the severity of the misbehaviour, whether the student's behaviour could have repercussions for the orderly running of the academy, whether the behaviour poses a threat to another student or member of the public or could adversely affect the reputation of the academy and/or Trust.

4. Roles and Responsibilities

All members of the Trust community are expected to follow this policy. Roles, responsibilities and expectations of each section of the Trust community are set out in detail below.

4.1 Board of Trustees

The Board of Trustees has overall responsibility for setting the organisational culture, ethos and core values of the Trust, and this behaviour policy promotes the high standards of behaviour expected in line with this ethos.

The Trustees will hold the CEO, Executive Team and Headteachers / Heads of School to account for the implementation of this Behaviour Policy.

4.2 The Chief Executive Officer and Executive Team

The CEO and Executive Team will ensure that this Behaviour Policy is applied consistently across the academies within the Trust and will report back to the Trustees on educational outcomes, behaviour management, support strategies and early intervention for students requiring additional support. The CEO and Executive Team will ensure that senior staff receive regular continuing professional development and receive regular training on behaviour management.

4.3 Local Governing Body

The Local Governing Body in each academy will review and monitor the application and implementation of this policy by receiving regular standardised reports from the academy Headteacher. Local governors will scrutinise relevant data, review relevant suspension and permanent exclusion decisions and act as a point of challenge for decisions taken by the Headteacher. Local governors will ensure they receive relevant training on suspensions and permanent exclusions and information about positive behaviour strategies.

4.4 Headteacher

Each Academy Headteacher, with support from their respective Senior Leadership Team, will ensure that staff are supported and up to date with policy changes. They will ensure that lessons are well taught, effectively managed and that staff regularly and effectively self-evaluate their behaviour management strategies. The Headteacher and Senior Leaders will monitor how staff implement this policy to ensure rewards and sanctions are applied fairly and consistently. The Headteacher will act as a source of support and guidance for staff on behaviour management strategies and discipline.

4.5 Staff

All staff will:

- apply this policy fairly, proportionately, consistently and without discrimination, taking into account SEND as well as the additional challenges that some vulnerable students may face;
- promote a teaching and learning ethos which encourages all students to attend and participate in lessons whatever their level of ability or need;

- model positive behaviour;
- record incidents of any given sanctions in line with the schools "Behaviour Procedures";
- provide praise, rewards and reinforce positive behaviour;
- focus on de-escalation and preventative strategies rather than being solely reactive;
- consider the welfare of the whole Trust community and ensure that the majority of students' education is not jeopardised by the disruptive behaviour of a minority of students;
- contribute to the development of systems which support and reinforce positive behaviour;
- recognise that there may be contributory factors which affect student's behaviour and respond according to individual need;
- identify students who are experiencing difficulties in developing or sustaining appropriate behaviour;
- contact parents / carers if there is a problem with attendance, punctuality or equipment and about any concerns or problems that affect their child's work or behaviour;
- engage with and attend all training and development sessions to continually improve behaviour management and learn from best practice.

4.6 Parents and Carers

Parents and Carers play an important role in ensuring good behaviour from their children. Parents and Carers are required to sign an academy's home school agreement when their child joins the academy, and subsequently at the start of each academic year. Parents and Carers are also expected to:

- support the academy in the application and enforcement of this policy;
- inform the academy of any challenging behaviour exhibited at home, special education needs or changes in circumstances that may account for changes in their child's behaviour;
- ensure their child attends the academy on time, appropriately dressed, fed, rested, and equipped;
- work with the academy in support of their child's learning;
- attend meetings at the academy with staff to discuss their child's behaviour and adhere to any parenting contracts put in place;
- inform the academy in writing of any medication their child needs to take (see the "Supporting children with medical needs" policy);
- in the case of a suspension, provide appropriate supervision for their child during the first 5 days of suspension, ensure that their child is not present in a public place during academy hours without reasonable justification and, if invited, attend a reintegration interview at the academy with their child.
- to take responsibility for their children's activity out of school. In particular, we expect that parents will monitor internet activity so that students are not enabled easily to engage in bullying or harassment of other members of the school community through social networking sites.

4.7 Students

Reminders of the academy's "Behaviour Procedures" and expected standards of behaviour for learning in lessons should be made clear to all students. Students are expected to have a positive attitude and maintain high expectations for themselves.

Academies should place an emphasis on self-regulation to develop a culture in which students understand that they are ultimately responsible for their behaviour choices.

5. Rewards

It is important to encourage good conduct by celebrating and rewarding good behaviour. Each academy adopts its own reward system which should be based on the four CORE Values. The approach to rewards will be clearly set out in the Behaviour Procedures information for each academy.

6. Sanctions

6.1 Where a student's conduct falls below the standard which could reasonably be expected of them the academy will consider imposing sanctions. All sanctions will be reasonable and proportionate to the circumstances of the incident and due consideration will be given to the student's age, any special educational needs or disability, any religious requirements and any concerns around safeguarding. The approach to sanctions will be set out in the Behaviour Procedures information for each academy.

6.2 The particular level of sanction will depend on the severity and regularity of the behaviour. The academy uses a range of sanctions in response to incidents of poor behaviour. These sanctions may include:

- verbal reprimand
- confiscation of a student's property
- extra work or repeating unsatisfactory work until it meets the required standard
- short term, temporary removal from a class or groups
- detention including during breaks, lunchtime or after school
- education off-site for a designated period
- suspension or permanent exclusion

6.3 Academy staff aim to work in cooperation with parents and carers to understand the reasons behind their child's behaviour and put in place a clear support strategy for modifying and addressing that behaviour. The Trust recognises the importance of effective home-school communication and will endeavour to communicate with parents regarding students' behaviour when necessary. When a sanction is imposed, parents and carers will be informed.

6.4 The Trust encourages restorative justice – this is the principle of empowering students to resolve conflicts on their own and in small groups - and students are encouraged to apologise to their peer group and/or to staff for rudeness or a lack of respect.

6.5 Each academy will also consider whether the behaviour under review gives cause to suspect that a child is suffering, or is likely to suffer, significant harm. Where this may be the case, staff will follow the academy's safeguarding policy. They will also consider whether continuing disruptive behaviour might be the result of unmet educational or

other needs. If staff reasonably believe this to be the case, they will consider whether a multi-agency assessment is necessary.

6.6 Under no circumstances will illegal or inappropriate items be tolerated in any of the academies, and all students will respect and look after the academy premises and environment. The following is a non-exhaustive list of behaviour that is regarded as completely unacceptable and will result in disciplinary actions and possibly in suspension, depending on the circumstances:

- physical abuse to/attack on staff
- physical abuse to/attack on students
- any form of bullying (to the extent not covered above)
- child on child abuse
- indecent behaviour
- damage to property
- gambling on academy property
- recording or taking images of students or staff without their express consent
- consuming, carrying, supplying or misusing of illegal drugs and alcohol and other substances including “legal highs”
- carrying, supplying or taking prescription drugs or non-prescription drugs without lawful reason
- theft
- serious actual or threatened violence against another student or a member of staff
- sexual violence, such as rape, assault by penetration, or sexual assault
- sexual harassment, meaning unwanted conduct of a sexual nature
- carrying an offensive weapon
- arson
- malicious allegations against staff
- racist, sexist, homophobic or other forms of discriminatory behaviour
- persistent truancy

6.7 Each academy within CORE Education Trust will follow the DfE statutory guidance when taking a decision to suspend or permanently exclude a student. The DfE guidance on suspensions and permanent exclusions is available at www.gov.uk/government/publications/school-exclusion

6.8 **Suspensions:** A suspension can only be issued by the Headteacher. Parents/carers will be notified of any suspension.

6.9 If a student with a social worker is at risk of suspension or permanent exclusion, the headteacher will inform the social worker as early as possible.

6.10 If a student who is a looked-after child (LAC) is at risk of suspension or permanent exclusion, the headteacher will inform the VSH (Virtual School Headteacher) as early as possible.

6.11 Following a suspension, and before the student returns to school, a reintegration meeting between the parents/carers and the school will be arranged. The purpose of the reintegration meeting will be to discuss strategies, and agree any actions, to try and ensure that the behaviour which led to suspension does not occur again. A written record of any actions agreed by the parents and the school at the reintegration meeting will be

produced. A copy of this record will be kept by the school and a copy will be sent to the parent/carer. For the first five days of any suspension the school will set work (which may be online) for the student and the student will be expected to complete the work and return it to the school for marking. If a suspension is for longer than 5 days, the school will arrange suitable alternative full-time education from the sixth day.

6.12 **Permanent exclusions:** The decision to permanently exclude a student is a serious one and can only be made by the Headteacher. Parents will be notified of any permanent exclusion. Permanent exclusion will usually be the final step in a process for dealing with disciplinary offences, where all other possible disciplinary sanctions have failed to be successful. There will, however, be exceptional circumstances where, in the judgement of the Headteacher, it is appropriate to permanently exclude a student for a first or serious 'one-off' incident.

6.13 There is not a definitive list of serious one-off incidents that may result in permanent exclusion, but serious one-off incidents may include the following types of behaviour: serious actual or threatened violence against another student or member of staff, bringing a weapon or banned item such as illegal drugs on to the school premises, serious damage to school property, arson, or theft. Permanent exclusion will only be used as a sanction of last resort, in response to a serious breach, or persistent breaches, of this behaviour policy and where allowing the student to remain in the academy would seriously harm the education or welfare of the student or others in the academy.

6.14 For the first five days of any permanent exclusion, the school will set work for the student and the student will be expected to complete the work and return it to the school for marking.

6.15 The local authority (LA) is responsible for providing full-time education from the sixth school day of any permanent exclusion.

6.16 Once a permanent exclusion has been issued by the Headteacher, a panel of three governors from CORE Education Trust will be convened to review the school's decision to permanently exclude the student. This meeting should be arranged within 15 school days, and parents will be notified of the date of the governors review meeting by letter. In some circumstances it may not be possible to meet the 15 school days deadline, in these cases, a meeting will be arranged as soon as it is practical to do so. In line with the DfE guidance on suspensions and permanent exclusions, the decision made by the governors at the governors review meeting will not be invalid simply on the grounds that the meeting did not take place within 15 school days.

6.17 The social worker / VSH will be invited to any meeting of the governing board about the suspension or permanent exclusion. This is so they can provide advice on how the student's background and/or circumstances may have influenced the circumstances of their suspension or permanent exclusion. The social worker should also help ensure safeguarding needs and risks and the student's welfare are taken into account.

7. **Students with Special Educational Needs and/or Disabilities**

7.1 In the context of this policy, a child is considered to have SEND if he or she:

- has difficulties in learning which are significantly greater than the majority of other students of the same age; or
- has a disability which prevents or limits them from accessing the curriculum; or
- has behavioural, emotional or social difficulties which impact adversely on their learning and progress.

7.2 The Trust is aware that continuous disruptive behaviour can be a result of unmet needs. If such needs are identified, the academy will do all it can to ensure that the student receives appropriate support. The Trust is conscious of its legal duties under the Equality Act 2010 in respect of students with disabilities and will make reasonable adjustments to this policy to avoid any substantial disadvantage that a student may face as a consequence of their disability compared to their non-disabled peers. A reasonable adjustment that may be made would be to impose a lesser sanction for a student whose behaviour is in consequence of their disability than would be imposed for a student exhibiting the same behaviour who does not have that disability.

7.3 A personalised behaviour plan will be used for children with SEND whose condition causes them to display challenging behaviour and advice will be sought from external agencies where necessary to assist with putting in place appropriate support strategies, which will be monitored and reviewed. Please read the Trust's SEND policy and the school's SEN Information Report for more information.

8. Investigating Incidents

8.1 Initial investigations of minor infractions may be carried out by a member of staff/teacher on their own. Further investigations or initial investigations of more serious offences must be carried out by two staff together. Students may be asked to provide written, signed and dated statements. Where a student is unable to write their own statement, for example due to SEND, they will be asked to describe to staff what they saw or heard, and the member of staff will make a note of the response. Any questions raised by staff will be open and non-leading. If the police wish to question the student, the academy will ensure that a responsible adult is present at all times and will inform the student's parents of what has happened as soon as possible.

8.2 The Trust uses Close Circuit Television ("CCTV") within its premises. The main reason for this is to provide a safe and secure environment for students, staff and visitors. If behavioural incidents are recorded on CCTV the footage may be viewed as part of the investigation and the content considered before imposing a sanction. Please see the Trust's CCTV policy and privacy notices for more information.

8.3 When more than one student is involved in an incident and the interpretations of an event differ, then every effort will be made to try to find the truth. If this still remains unclear, then the staff members involved will use their professional judgement to come to a conclusion on the balance of probabilities.

8.4 In exceptional circumstances, students may receive a suspension pending an investigation, as a neutral act, if there is a possibility that the welfare of other students may be compromised by that student remaining in the academy.

9. Search, screening and confiscation

Searching, screening and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

9.1 Confiscation

Any prohibited items found in a student's possession as a result of a search will be confiscated. These items will not be returned to the student. Prohibited items include:

- knives or weapons
- alcohol
- illegal drugs
- "legal highs"
- stolen items
- e-cigarettes, tobacco and cigarette papers
- fireworks
- pornographic images or
- articles that have been or could be used to commit an offence or cause harm

9.2 Any item that is deemed to be harmful or detrimental to school discipline will also be confiscated. These items will be returned to students after discussion with senior leaders and parents, if appropriate.

9.3 Staff may seize an electronic device to examine any data or files on the device if they think there is good reason to do so. These data or files may be erased before returning the item if they believe there is good reason to do this.

9.4 Searching a student

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves. Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the student, and there will be another member of staff present as a witness to the search. An authorised member of staff of a different sex to the student can carry out a search without another member of staff as a witness if:

- The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; **and**
- In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the student; **or**
- It is not reasonably practicable for the search to be carried out in the presence of another member of staff

9.5 When an authorised member of staff conducts a search without a witness, they should immediately report this to another member of staff and ensure a written record of the search is kept.

- 9.6 If the authorised member of staff considers a search to be necessary, but is not required urgently, they will seek the advice of the headteacher, designated safeguarding lead (or deputy) or pastoral member of staff who may have more information about the student. During this time the student will be supervised and kept away from other students.
- 9.7 A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the student is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the student has agreed.
- 9.8 An appropriate location for the search will be found. Where possible, this will be away from other students. The search will only take place on the school premises or where the member of staff has lawful control or charge of the student, for example on a school trip. Before carrying out a search the authorised member of staff will:
- Assess whether there is an urgent need for a search
 - Assess whether not doing the search would put other students or staff at risk
 - Consider whether the search would pose a safeguarding risk to the student
 - Explain to the student why they are being searched
 - Explain to the student what a search entails – e.g. I will ask you to turn out your pockets and remove your scarf
 - Explain how and where the search will be carried out
 - Give the student the opportunity to ask questions
 - Seek the student's co-operation
- 9.9 If the student refuses to agree to a search, the member of staff can give an appropriate behaviour sanction. If they still refuse to co-operate, the member of staff will contact a senior leader or designated safeguarding lead to try and determine why the student is refusing to comply.
- 9.10 The authorised member of staff will then decide whether to use reasonable force to search the student. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the student harming themselves or others, damaging property or from causing disorder.
- 9.11 The authorised member of staff can use reasonable force to search for any prohibited items listed in section 9.2, but not to search for items that are only identified in the school rules. The authorised member of staff may use a metal detector to assist with the search. An authorised member of staff may search a student's outer clothing, pockets, possessions, desk or locker. Outer clothing includes:
- Any item of clothing that is not worn immediately over a garment that is being worn wholly next to the skin or being worn as underwear (e.g. a jumper or jacket being worn over a t-shirt),
 - Hats, scarves, gloves, shoes, boots

- 9.12 A student's possessions can be searched for any item if the student agrees to the search. If the student does not agree to the search, staff can still carry out a search for prohibited items (listed in section 9.2) and items identified in the school rules.
- 9.13 The member of staff who carried out the search should inform the DSL without delay and record details of the search onto CPOMs and inform parents that a search has been carried out as soon as reasonably practicable.
- 9.14 Irrespective of whether any items are found as the result of any search, the school will consider whether the student may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search). If this is the case, staff will follow the school's safeguarding policy and speak to the DSL. The DSL will consider if pastoral support, an early help intervention or a referral to children's social care is appropriate.

9.15 Strip searches

The authorised member of staff's power to search outlined above **does not** enable them to conduct a strip search (removing more than the outer clothing) and strip searches on school premises shall only be carried out by police officers in accordance with the Police and Criminal Evidence Act 1984 (PACE) Code C.

- 9.16 Before calling the police into school, staff will assess and balance the risk of a potential strip search on the student's mental and physical wellbeing and the risk of not recovering the suspected item.
- 9.17 Staff will consider whether introducing the potential for a strip search through police involvement is absolutely necessary, and will always ensure that other appropriate, less invasive approaches have been exhausted first.
- 9.18 Once the police are on school premises, the decision on whether to conduct a strip search lies solely with them. The school will advocate for the safety and wellbeing of the student(s) involved. Staff retain a duty of care to the student involved and should advocate for student wellbeing at all times.
- 9.19 Where reasonably possible and unless there is an immediate risk of harm, staff will contact at least 1 of the student's parents to inform them that the police are going to strip search the student before strip search takes place and ask them if they would like to come into school to act as the student's appropriate adult. If the school can't get in touch with the parents, or they aren't able to come into school to act as the appropriate adult, a member of staff can act as the appropriate adult (see below for the role of the appropriate adult).
- 9.20 The student's parents will always be informed by a staff member once a strip search has taken place. The school will keep records of strip searches that have been conducted on school premises and monitor them for any trends that emerge.
- 9.21 For any strip search that involves exposure of intimate body parts, there will be at least 2 people present other than the student, except in urgent cases where there is risk of serious harm to the student or others.

One of these must be the appropriate adult, except if the student explicitly states in the presence of an appropriate adult that they do not want an appropriate adult to be present

during the search **and** the appropriate adult agrees. If this is the case, a record will be made of the student's decision, and it will be signed by the appropriate adult.

9.22 No more than 2 people other than the student and appropriate adult will be present, except in the most exceptional circumstances. The appropriate adult will:

- Act to safeguard the rights, entitlement and welfare of the student
- Not be a police officer or otherwise associated with the police
- Not be the headteacher
- Be of the same sex as the student, unless the student specifically requests an adult who is not of the same sex

Except for an appropriate adult of a different sex if the student specifically requests it, no one of a different sex will be permitted to be present and the search will not be carried out anywhere where the student could be seen by anyone else.

9.23 After any strip search, the student will be given appropriate support, irrespective of whether any suspected item is found. The student will also be given the opportunity to express their views about the strip search and the events surrounding it.

9.24 As with other searches, the school will consider whether the student may be suffering or likely to suffer harm and whether any further specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

9.25 Staff will follow the school's safeguarding policy and speak to the DSL. The DSL will consider if, in addition to pastoral support, an early help intervention or a referral to children's social care is appropriate.

9.26 Any student(s) who have been strip searched more than once and/or groups of students who may be more likely to be subject to strip searching will be given particular consideration, and staff will consider any preventative approaches that can be taken.

9.27 **Screening**

The academy may, from time to time, require students to undergo screening by a walk-through or hand-held metal detector (arch or wand) regardless of whether they suspect the student of having a weapon and without the student's consent. If the student does not agree to undergo the screening the academy has the right to stop them from entering the premises and will treat the student's absence as unauthorised.

10. Use of reasonable force

10.1 The Trust strives to provide a safe learning environment for all students. All members of staff (and anyone whom the Headteacher has given the responsibility to be in charge or in control of the students) are lawfully permitted to use reasonable force to prevent students committing an offence, injuring themselves or others, damaging property, and to maintain good order and discipline in the classroom. Any incident of reasonable force or restraint will be recorded, and parents/carers informed.

- 10.2 This power extends to times when staff are lawfully in charge of students but are off the academy premises i.e., on a school trip. There is no definition of when it is reasonable to use force and every situation will have to be judged by the person in charge at that time. The degree of force used should be the minimum needed to achieve the desired result.
- 10.3 Sometimes, students may get anxious or agitated and strategies used to help students calm down such as using communication skills, distraction techniques and removing triggers may not yield results. On rare occasions staff may have to use physical interventions to ensure the student's own safety, the safety of other students and staff, or to ensure that property is not seriously damaged.
- 10.4 All incidents where students need to be held to help them to calm down will be recorded and parents/carers will be informed as a matter of course.

11. Bullying

- 11.1 The Trust will take all reasonable measures to ensure the safety and wellbeing of all students and staff and this includes protection from bullying. Bullying is defined as the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power. This can include emotional, physical, racial, sexual, verbal (direct or indirect) and cyber-bullying. Further information about the school's approach to preventing and addressing bullying can be found in the school's Anti-Bullying Policy.
- 11.2 The Trust wants to make sure that all students feel safe in the academies and are accepted into the Trust community. The Trust's ethos is one of inclusion and equality; bullying of any kind will not be tolerated.
- 11.3 Bullying can be verbal or physical, by person or by electronic, on-line or written means and can be directed at both staff and students. The Trust practices a preventative strategy to reduce the chances of bullying, and the anti-bullying policy is instilled in the Trust's curriculum, through the active development of students' social, emotional and behavioural skills, assemblies and is embedded in daily academy life. It is made very clear to students what is expected of them in terms of respecting their peers, members of the public, and staff, and any intentional breach of this will result in disciplinary action.
- 11.4 If an allegation of bullying does come up, the academy will:
- take it seriously
 - investigate as quickly as possible to establish the facts
 - record and report the incident; depending on how serious the case is, it may be reported to the Headteacher
 - provide support and reassurance to the victim
 - make it clear to the 'bully' that this behaviour will not be tolerated. If there is a group of people involved, they will be spoken to individually and as a whole group. It is important that children who have harmed another, either physically or emotionally, redress their actions, and staff will make sure that they understand what they have done and the impact of their actions
 - discuss the matter with both parties, bring them together and insist on the perpetrator seeing the other person's point of view; sometimes the no blame approach is used, sometimes negotiation and sometimes sanctions

- ensure that if a sanction is used, it will correlate to the seriousness of the incident and the 'bully' will be told why it is being used
- consider whether suspension is appropriate in light of the circumstances
- ensure parents/carers are informed

11.5 The Trust believes students should be able to enjoy using social media in a safe environment but recognises that there are inherent threats in using social media which could harm the welfare of students and staff at its academies. Where a member of staff has reasonable grounds to suspect that a student is using social media in an inappropriate way, which could cause harm to another person in the Trust community, the member of staff should report this to a member of the academy's Senior Leadership Team. Following any such report an investigation will follow during which an authorised member of staff may ask that the student gives them access to their social media account. In the event that the student refuses to cooperate and will not give access to an authorised member of staff during an investigation this could lead to an adverse decision taken against the student.

12. Complaints

If parents have any concerns or complaints over the application or implementation of this policy, they should raise their concerns with a staff member or the Headteacher in accordance with the Trust's complaints policy. If the concern relates to a suspension, the statutory procedure set out in the DfE suspension and permanent exclusion guidance will be followed.
