

Dear parents and carers,

I am writing to let you know about a temporary change to our school meal service.

As you will be aware, our school site has been undergoing refurbishment and investment. As part of this commitment to providing students with excellent facilities, our catering facilities will require some additional work. This means the kitchen will be out of use from Thursday 19th June until the start of the new term in September.

The good news is that we will still be able to offer school meals every day. While we won't have the usual menu for the final weeks of term, there will be at least one hot meal option each day, jacket potatoes and various fillings along with a selection of cold options such as sandwiches, baguettes, and wraps. Hot dishes may include things like curry, chilli, lasagne.

Meals will continue to be prepared on site in our food prep room and served in the dining hall as usual, so there will be minimal disruption for the children.

Thank you for your understanding and support while we make these necessary improvements. If you have any questions, please feel free to contact the school office.

Best wishes

Mr Henshaw
Headteacher
