

27<sup>th</sup> June 2022

**RE: Transition Day – Wednesday 6<sup>th</sup> July 2022**

Dear Parent/Carer,

Congratulations on your child securing a place to join Team JQA in September 2022! We cannot wait to welcome your child to JQA for the city-wide 'Transition Day' on 6<sup>th</sup> July.

Please drop your child off at Pope Street Entrance between 8.35am and 8.45am wearing their primary school uniform. You will be welcomed by Senior Leaders and there will be refreshments available. At 9.00, your child will go into a range of induction activities whilst giving you the opportunity to spend around 45 minutes learning more about the new school you have chosen for them. You can meet key staff at JQA too during this time.

During the day, your child will get to meet their form tutor and peers, get a tour of the Academy and experience lessons in key subjects. They will leave fully appraised of what it means to attend JQA - proud to be a CORE Academy. Lunch will be provided and all social times will be supported by staff and student leaders with sports activities available or quiet spaces to read and chat.

Students can be collected from Pope Street at 2.45pm.

If you are a parent of a child with additional needs, a SEND plan or EHCP, please contact Miss Hinz, our Safeguarding Lead and SENDCo. She will be able to support you further with the transition to secondary school and offer a bespoke visit before the 6<sup>th</sup> July:

Whilst this is certainly an exciting time, we recognise this can be an anxious time for some students. We endeavour to support a seamless transition for all students and parents. For any queries, please contact Mr Tully, our transition lead and Assistant Headteacher:

Thank you for choosing Team JQA for your child for September 2022 and I look forward to welcoming you to JQA.

Yours Sincerely,

**Mr J Barton - Headteacher**
