

Year 11 School Photographs

Dear Parents / Carers

On Tuesday 10th March, photographers will be coming into school to take a range of photographs of Year 11 students. The school is organising for all Year 11 students to receive a year group photograph free of charge.

As the individual portraits need to be attached to the large group photograph, this must go back to Tempest to be processed, so it may take a week or so, before order forms are delivered to the school. The order form will be handed to your child when they arrive in school. You can then scan the QR code on the Order Form to purchase the photo, the order will need to be placed within 14 days of receiving the Order Form.

As this is a celebration of the Year 11 time in school, all students will need to be in full school uniform, including blazers and ties. **There will be no PE classes on Tuesday 10th March and therefore students should be in full school uniform.**
